

Open Loop System

Input
Information going into
the system

Process
What we do to solve the problem
We use our
7 Resources of Tech

Output
Our desired outcome
Problem solved

Closed Loop System

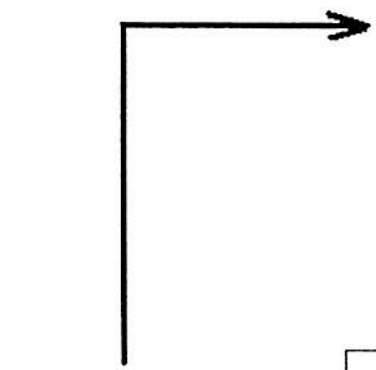

Input
Information going into
the system

Process
What we do to solve the problem
We use our
7 Resources of Tech

Output
Our desired outcome
Problem solved

Feedback
Monitor system.
If output is not desired
go back to input
